Legal Status

The Illinois Constitution requires the State to provide for an efficient system of high-quality public educational institutions and services in order to achieve the educational development of all persons to the limits of their capabilities.

The General Assembly has implemented this mandate through the creation of school districts, which are authorized to enter into joint agreements with one another to form a legal entity to provide for the mutual provision of special education and related services to its member school districts’ students with disabilities. This entity is known as the Knox-Warren Special Education District, and it is a body corporate that possesses all the usual powers of a corporation for public purposes, and in that name may sue and be sued, purchase, hold and sell personal property and real estate, and enter into such obligations as are authorized by law. The District is governed by the laws for Joint Agreements serving a resident population of not fewer than 1,000 and not more than 500,000.

1. No employee shall intentionally perform any political activity during any compensated time, as those terms are defined herein.

2. No Board member or employee shall intentionally use any District property or resources in connection with any political activity.

3. At no time shall any Board member or employee intentionally require any other Board member or employee to perform any political activity: (a) as part of that Board member’s or employee’s duties, (b) as a condition of employment, or (c) during any compensated time off, such as, holidays, vacation, or personal time off.

4. No Board member or employee shall be required at any time to participate in any political activity in consideration for that Board member or employee being awarded additional compensation or any benefit, whether in the form of a salary adjustment, bonus, compensatory time off, continued employment or otherwise; nor shall any Board member or employee be awarded additional compensation or any benefit in consideration for his or her participation in any political activity.

A Board member or employee may engage in any activity that: (1) is otherwise appropriate as part of his or her official duties, or (2) is undertaken by the individual on a voluntary basis that is not prohibited by this policy.

Limitations on Receiving Gifts

Except as permitted by this policy, no Board member or employee, and no spouse of or immediate family member living with a Board member or employee shall intentionally solicit or accept any gift from any prohibited source, as those terms are defined herein, or that is otherwise prohibited by law or policy. No prohibited source shall intentionally offer or make a gift that violates this policy.

The following are exceptions to the ban on accepting gifts from a prohibited source:

1. Opportunities, benefits, and services that are available on the same conditions as for the general public.

2. Anything for which the Board member or employee, or his or her spouse or immediate family member, pays the fair market value.

3. Any: (a) contribution that is lawfully made under the Election Code, or (b) activities associated with a fundraising event in support of a political organization or candidate.

4. Educational materials and missions.

5. Travel expenses for a meeting to discuss business.

6. A gift from a relative, meaning those people related to the individual as father, mother, son, daughter, brother, sister, uncle, aunt, great aunt, great uncle, first cousin, nephew, niece, husband, wife, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-

father, mother, grandfather, or grandmother of the individual’s spouse and the individual’s
fiancé or fiancée.

7. Anything provided by an individual on the basis of a personal friendship unless the recipient
has reason to believe that, under the circumstances, the gift was provided because of the
official position or employment of the recipient or his or her spouse or immediate family
member and not because of the personal friendship. In determining whether a gift is provided
on the basis of personal friendship, the recipient shall consider the circumstances under which
the gift was offered, such as: (a) the history of the relationship between the individual giving

their spouses or immediate family members.

8. Food or refreshments not exceeding $75 per person in value on a single calendar day;

given to a Board member or employee from another Board member or employee, and inter-
governmental gift means any gift given to a Board member or employee from an officer or
employee of another governmental entity.

11. Bequests, inheritances, and other transfers at death.

12. Any item or items from any one prohibited source during any calendar year having a
cumulative total value of less than $100.

Each of the listed exceptions is mutually exclusive and independent of every other.

A Board member or employee, his or her spouse or an immediate family member living with the
Board member or employee, does not violate this policy if the recipient promptly takes reasonable
action to return a gift from a prohibited source to its source or gives the gift or an amount equal to its
value to an appropriate charity that is exempt from income taxation under Section 501(c)(3) of the
Internal Revenue Code.

Enforcement

The Governing Board or Executive Board President or the Director shall seek guidance from the
Board attorney concerning compliance with and enforcement of this policy and State ethics laws. The
Board may, as necessary or prudent, appoint an Ethics Advisor for this task.

Written complaints alleging a violation of this policy shall be filed with the Director or Executive
Board President. If attempts to correct any misunderstanding or problem do not resolve the matter, the
Director or Executive Board President shall, after consulting with the Board Attorney, either place the
alleged violation on a Executive Board meeting agenda for the Board’s disposition or refer the complainant to Board policy 2:260, Uniform Grievance Procedure. A Board member who is related, either by blood or by marriage, up to the degree of first cousin, to the person who is the subject of the complaint, shall not participate in any decision-making capacity for the Board. If the Board finds it more likely than not that the allegations in a complaint are true, it shall notify the State’s Attorney and/or consider disciplinary action for the employee.

Governing and Executive Board Member Compensation; Expenses

Board Member Compensation Prohibited

Board members provide volunteer service to the community and may not receive compensation for services, except that a Board member serving as the Board Secretary may be paid an amount up to the statutory limit if the Board so provides.

Roll Call Vote

All Board member expense requests for travel, meals, and/or lodging must be approved by roll call vote at an open meeting of the Board.

Regulation of Joint Agreement Expenses

The Board regulates the reimbursement of all travel, meal, and lodging expenses in the District by resolution. No later than approval of the annual budget and when necessary, the Director will recommend a maximum allowable reimbursement amount for expenses to be included in the resolution. The recommended amount should be based upon the District’s budget and other financial considerations.

Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the Board member, (2) anyone’s personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event.

Exceeding the Maximum Allowable Reimbursement Amount(s)

All requests for expense advancements, reimbursements, and/or purchase orders that exceed the maximum allowable reimbursement amount set by the Board may only be approved by it when:

1. The Board’s resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

Advancements

The Board may advance to its members actual and necessary expenses to be incurred while attending:

1. Meetings sponsored by the Illinois State Board of Education or by the Regional Superintendent of Schools;
2. County or regional meetings and the annual meeting sponsored by any Board association complying with Article 23 of the School Code; and
3. Meetings sponsored by a national organization in the field of public school education.

Expense advancement requests must be submitted to the Director or designee on the Board’s standardized estimated expense approval form. After spending expense advancements, Board members must use the Board’s standardized expense reimbursement form and submit to the Director:
(a) the itemized, signed advancement voucher that was issued, and
(b) the amount of actual expenses by attaching receipts. A Board member must return to the District any portion of an expense
advancement not used. If an expense advancement is not requested, expense reimbursements may be issued by the Board to its members for the activities listed in numbers one through three, above, along with registration fees or tuition for a course(s) that allowed compliance with the mandatory trainings described in policy 2:120, Board Member Development and other professional development opportunities that are encouraged by the School Code (see the Reimbursements and Purchase Orders subhead, below). Expense advancements and vouchers shall be presented to the Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursement is not guaranteed and, when possible, Board members should seek pre-approval of expenses by providing an estimation of expenses on the Board’s standardized estimated expense approval form, except in situations when the expense is diminutive. When pre-approval is not sought, Board members must seek reimbursement on the Board’s standardized expense reimbursement form. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

Credit and Procurement Cards

Credit and procurement cards shall not be issued to Board members.

Standardized Expense Form(s) Required

All requests for expense advancement, reimbursement, and/or purchase orders in the District must be submitted on the appropriate itemized, signed standardized form(s). The form(s) must show the following information:

1. The amount of the estimated or actual expense, with attached receipts for actual incurred expenses.
2. The name and office of the Board member who is requesting the expense advancement or reimbursement. Receipts from group functions must include the names, offices, and job titles of all participants.
3. The date(s) of the official business on which the expense advancement or reimbursement will be or was expended.

Types of Official Business for Expense Advancements, Reimbursements, and Purchase Orders

2. Travel. The least expensive method of travel will be used, providing that no hardship will be caused to the Board member. Board members will be reimbursed for:
   a. Air travel at the coach or economy class commercial airline rate. First class or business class air travel will be reimbursed only if emergency circumstances warrant. The emergency circumstances must be explained on the expense form and Board approval of the additional expense is required. Copies of airline tickets must be attached to the expense form.
   b. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets must be attached to the expense form to substantiate amounts.
   c. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purposes. The reimbursement may not exceed the cost of
coach airfare. Mileage for use of personal automobiles in trips to and from transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.

d. Automobile rental costs when the vehicle’s use is warranted. The circumstances for such use must be explained on the expense form.

e. Taxis, airport limousines, or other local transportation costs.

3. Meals. Meals charged to the Joint Agreement should represent mid-fare selections for the hotel/meeting facility or general area, consistent with the maximum allowable reimbursement amount set by the Board. Communications To and From the Board

The Governing Board and Executive Board welcomes communications from staff members, parents/guardians, students, and community members. Individuals may submit questions or communications for either Board’s consideration to the Director or may use the electronic link to the Board’s email address(es) posted on the District’s website.

The Director or designee shall ensure that the home page for the District’s website contains an active electronic link to the email address(es) for each Board member.

If contacted individually, Board members will refer the person to the appropriate level of authority, except in unusual situations. Board members’ questions or communications to staff or about programs will be channeled through the Director’s office. Board members will not take individual action that might compromise the Board or District. There is no expectation of privacy for any communication sent to the Board or its members, whether sent by letter, email, or other means.

Board Member Use of Electronic Communications

Electronic communications among a majority or more of a Board-quorum shall not be used for the purpose of discussing District business. Electronic communications among Board members shall be limited to: (1) disseminating information, and (2) messages not involving deliberation, debate, or decision-making. The following list contains examples of permissible electronic communications:

- Agenda item suggestions
- Reminders regarding meeting times, dates, and places
- Board meeting agendas or information concerning agenda items
- Individual emails to community members, subject to the other limitations in this policy

In accordance with the Open Meetings Act and the Oath of Office taken by Board members, individual Board members will not (a) reply to an email on behalf of the entire Board, or (b) engage in the discussion of District business through electronic communications with a majority of a Board-quorum.

Exhibit - Guidance for Board Member Communications, Including Email Use

The Open Meetings Act (OMA) requires the Governing Board to discuss District business only at a properly noticed Board meeting. 5 ILCS 120/7. Other than during a Board meeting, a majority or more of a Board-quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss District business. This Guidance assumes a Board has seven members and covers issues arising from Board policy 2:140, Communications To and From the Board.

Communications Between or Among Board Members and/or the Director Outside of a Properly Noticed Board Meeting

1. The Director or designee is permitted to email information to Board members. For example, the Director may email Board meeting agendas and supporting information to Board members. When responding to a single Board member’s request, the Director should copy all other Board members and include a do not reply/forward alert to the group, such as: “BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender.”

2. Board members are permitted to discuss any matter except District business with each other, whether in person or by telephone or email, regardless of the number of members participating in the discussion. For example, they may discuss league sports, work, or current events.

3. Board members are permitted to provide information to each other, whether in person or by telephone or email, that is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.

4. A Board member is not permitted to discuss District business with more than one other Board member at a time, whether in person or by telephone or email. Stated another way, a Board member may discuss District business in person or by telephone or email with only one other Board member at a time. However, a Board member should not facilitate interactive communication by discussing District business in a series of visits with, or telephone calls or emails to, Board members individually.

5. A Board member should include a do not reply/forward alert when emailing a message concerning District business to more than one other Board member. The following is an example of such an alert: “BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual.”

6. Board members should not forward email received from another Board member.

When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a public record as defined by FOIA, unless a specific exemption applies. A public record is any recorded information “pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body.” 5 ILCS 140/2. Email sent or received by an individual Board member may be, depending on the content and circumstances, subject to disclosure as a public record (unless a FOIA exemption is applicable).
If a Board member uses a District-provided device or email address to discuss public business, the email is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

**First,** the communication pertains to the transaction of public business, and

**Second,** the communication was: (1) prepared by a public body, (2) prepared for a public body, (3) used by a public body, (4) received by a public body, (5) possessed by a public body, and/or (6) controlled by a public body.

This test is from the appellate court decision in *City of Champaign v. Madigan*, 992 N.E.2d 629 (Ill.App.4th 2013).

The following *examples* describe FOIA’s treatment of electronic communications:

1. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.

2. An electronic communication pertaining to public business that is:
   a. Sent and/or received by an individual Board member using a personal electronic device and personal email address while he or she is at home or work **would not be a public record.** Individual Board members, alone, cannot conduct Joint Agreement business. As stated earlier, emails among a majority or more of a Board-quorum violate OMA and, thus, are subject to disclosure during proceedings to enforce OMA.

   b. Sent and/or received by an individual Board member on a District-issued device or District-issued email address **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.

   c. Received by an individual Board member on a personal electronic device and then forwarded by the Board member to a District-owned device or server **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.

   d. Received by an individual Board member using a personal electronic device and personal email address, and then forwarded by the Board member to enough members to constitute a majority or more of a Board-quorum **will be a public record** and subject to FOIA. The electronic communication is in the District’s possession.

   e. Either sent to or from a Board member’s personal electronic device during a Board meeting **will be a public record** and subject to FOIA. The electronic communication is in the District’s possession because Board members were functioning collectively as a public body.

The District’s Freedom of Information Officer and/or Board Attorney will help determine when a specific communication must be disclosed pursuant to a FOIA request.

**When Must Electronic Communications Be Retained?**

Email that qualifies under FOIA as a **public record** will need to be stored pursuant to the Local Records Act (LRA), only if it is evidence of the District’s organization, function, policies, procedures, or activities or contains informational data appropriate for preservation. 50 ILCS 205/. An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board member uses his or her personal email, he or she must copy this type of email to the appropriate District office where it will be stored. If made available, Board members should use their email accounts provided by the District, and the District will automatically store the official record messages. The District will delete these official record messages as provided in an applicable, approved **retention schedule.** Of course, email pertaining to public business that is sent or received
by a Board Member using a District-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the LRA.

**Important**: Do not destroy any email concerning a topic that is being litigated without obtaining the Board attorney’s direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify their clients at the beginning of a legal proceeding not to destroy any electronic records that might be relevant. This is referred to as a *litigation hold*. For more discussion of a litigation hold, see 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. In addition, any person who knowingly with the intent to defraud any party destroys, removes, or conceals any public record commits a Class 4 felony. 50 ILCS 205/43.

**Committees**

The Governing Board and the Executive Board may establish committees to assist with the its governance function and, in some situations, to comply with State law requirements. These committees are known as Board committees and report directly to the Board that established them. Committee members may include both Board members and non-Board members depending on the committee’s purpose. The Board President makes all Board committee appointments unless specifically stated otherwise. Board committee meetings shall comply with the Open Meetings Act. A Board committee may not take final action on behalf of the Board – it may only make recommendations to the Board.

**Special Board Committees**

A special committee may be created for specific purposes or to investigate special issues. A special committee is automatically dissolved after presenting its final report to the Board or at the Board’s discretion.

**Standing Executive Board Committees**

A standing committee is created for an indefinite term although its members will fluctuate. The standing committee is the Evaluation Committee.

Nothing in this policy limits the authority of the Director or designee to create and use committees that report to him or her or to other staff members.

No final Board action will be taken at a closed meeting.
Reconvened or Rescheduled Meetings

A meeting may be rescheduled or reconvened. Public notice of a rescheduled or reconvened meeting shall be given in the same manner as that for a special meeting, except that no public notice is required when the original meeting is open to the public and: (1) is to be reconvened within 24 hours, or (2) an announcement of the time and place of the reconvened meeting was made at the original meeting and there is no change in the agenda.

Special Meetings

Special meetings may be called by the President or by any three members of the Board by giving notice thereof, in writing, stating the time, place, and purpose of the meeting to remaining Board members by mail at least 48 hours before the meeting, or by personal service at least 24 hours before the meeting.

Board Meeting Procedure

Agenda

Each Board President is responsible for focusing the Board meeting agendas on appropriate content. The Director shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require discussion or explanation before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Items submitted by Board members to the Director or the President shall be placed on the agenda for an upcoming meeting. District residents may suggest inclusions for the agenda. Discussion items may be added to the agenda upon unanimous approval of those Board members present. The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Director shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, Types of Board Meetings.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of abstain or present, or a vote other than yea or nay, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of abstain or present, or a vote other than yea or nay, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes is rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board’s minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Any Board member may include a written explanation of his or her vote in the District file containing individual Board member statements; the explanation will not be part of the minutes.

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting’s date, time, and place;
2. Board members recorded as either present or absent;
A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;

On all matters requiring a roll call vote, a record of who voted yea and nay;

If the meeting is adjourned to another date, the time and place of the adjourned meeting;

The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act authorizing the closed meeting;

A record of all motions, including individuals making and seconding motions;

Upon request by a Board member, a record of how he or she voted on a particular motion; and

The type of meeting, including any notices and, if a reconvened meeting, the original meeting’s date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

At least semi-annually in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) decides which, if any, no longer require confidential treatment and are available for public inspection. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release.

The Board’s meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within ten days after the Board’s approval; they may be inspected in the District’s main office, in the presence of the Secretary, the Director or designee, or any Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the District’s administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Director or designated administrator, or any elected Board member. The minutes, whether reviewed by members of the public or the Board, shall not be removed from the District’s administrative offices or their official storage location except by vote of the Board or by court order.

**Verbatim Record of Closed Meetings**

The Director, or the Board Secretary when the Director is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Director shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained within the District's administrative offices or their official storage location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Director or designated administrator, or any elected Board member. Access to the verbatim recordings is available at the District’s administrative offices or the verbatim recording’s official storage location. Requests shall be made to the Director or Board President. While a Board
member is listening to a verbatim recording, it shall not be re-recorded or removed from the District’s main office or official storage location, except by vote of the Board or by court order.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, or (3) a family or other emergency. If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Director at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Director will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Director at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

Public Participation at Board Meetings and Petitions to the Board

For an overall minimum of 30 minutes during each regular and special open meeting, any person may comment to or ask questions of the Board (public participation), subject to the reasonable constraints established and recorded in this policy’s guidelines below. During public participation, there will be a 20-minute minimum total length of time for any one subject. When public participation takes less time than these minimums, it shall end.

To preserve sufficient time for the Board to conduct its business, any person appearing before the Board is expected to follow these guidelines:

1. Address the Board only at the appropriate time as indicated on the agenda and when recognized by the Board President.

2. Identify oneself and be brief. Ordinarily, the time for any one person to address the Board during public participation shall be limited to five minutes. In unusual circumstances, and when an individual has made a request to speak for a longer period of time, the person may be allowed to speak for more than five minutes.

3. Observe, when necessary and appropriate, the:
   a. Shortening of the time for each person to address the Board during public participation to conserve time and give the maximum number of people an opportunity to speak;
   b. Expansion of the overall minimum of 30 minutes for public participation and/or the 20-minute minimum total length of time for any one subject; and/or
   c. Determination of procedural matters regarding public participation not otherwise covered in Board policy.

4. Conduct oneself with respect and civility toward others and otherwise abide by Board policy 8:30, Visitors to and Conduct on District Property.

Petitions or written correspondence to the Board shall be presented to the Board in the next regular Board packet.

**Board Governance**

**Board Policy Development**

The Executive Board governs using written policies. Written policies ensure legal compliance, establish Board processes, articulate District ends, delegate authority, and define operating limits. Board policies also provide the basis for monitoring progress toward District ends.

**Policy Development**

Anyone may propose new policies, changes to existing policies, or deletion of existing policies. Staff suggestions should be processed through the Director. Suggestions from all others should be made to the Executive Board President or the Director.

The Director is responsible for: (1) providing relevant policy information and data to the Board, (2) notifying those who will implement or be affected by or required to implement a proposed policy and obtaining their advice and suggestions, and (3) having policy recommendations drafted into written form for Executive Board deliberation. The Director shall seek the counsel of the Board Attorney when appropriate.

**Policy Adoption and Dissemination**

Policies or policy revisions will not be adopted at the Executive Board meeting at which they are first introduced, except when: (1) appropriate for a consent agenda because no Board discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Board consideration will be given at a subsequent meeting(s) and after opportunity for community input. The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Board policies are available for public inspection in the District’s main office during regular office hours. Copy requests should be made pursuant to Board policy 2:250, *Access to District Public Records*.

**Board Policy Review and Monitoring**

The Executive Board will periodically review its policies for relevancy, monitor its policies for effectiveness, and consider whether any modifications are required. The Board may use an annual policy review and monitoring calendar.

**Director Implementation**

The Executive Board will support any reasonable interpretation of Board policy made by the Director. If reasonable minds differ, the Board will review the applicable policy and consider the need for further clarification.

In the absence of Board policy, the Director is authorized to take appropriate action.

**Suspension of Policies**

The Executive Board, by a majority vote of members present at any meeting, may temporarily suspend a Board policy except those provisions that are controlled by law or contract. The failure to suspend with a specific motion does not invalidate the Board action.

Access to District Public Records

Access to the District’s public records is available to any person as provided in the Illinois Freedom of Information Act (FOIA) and this policy. The Director or designee shall: (1) provide the Executive Board with sufficient information and data to permit the Board to monitor the District’s compliance with FOIA and this policy, and (2) report any FOIA requests during the Executive Board’s regular meetings along with the status of the District’s response.

Freedom of Information Officer

The Director shall serve as the District’s Freedom of Information Officer and assumes all the duties and powers of that office as provided in FOIA and this policy. The Director may delegate these duties and powers to one or more designees, but the delegation shall not relieve the Director of the responsibility for the action that was delegated.

Definition

The District’s public records are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the District.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District’s Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. The Director or designee shall instruct District employees to immediately forward any request for inspection and copying of a public record to the District’s Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for responsive public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.
The time periods are extended for responding to requests for records made for a *commercial purpose*, requests by a *recurrent requester*, or *voluminous requests*, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

**Fees**

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Executive Board’s review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request*.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the District’s actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the District’s actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA’s maximum fees as the District’s fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request*, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it.

**Provision of Copies and Access to Records**

A public record that is the subject of an approved access request will be available for inspection or copying at the District’s administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District’s website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer may direct a requester to the District’s website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the District shall make the requested record available for inspection and copying as otherwise provided in this policy.

**Preserving Public Records**

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District’s organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the Executive Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

Uniform Grievance Procedure

A student, parent/guardian, employee, or community member should notify any District Complaint Manager if he or she believes that the Governing Board, its employees, or its agents have violated his or her rights guaranteed by the State or federal Constitution, State or federal statute, or Board policy, or have a complaint regarding any one of the following:

1. Title II of the Americans with Disabilities Act
2. Title IX of the Education Amendments of 1972
3. Section 504 of the Rehabilitation Act of 1973
5. Title VI of the Civil Rights Act, 42 U.S.C. §2000d et seq.
8. Breastfeeding accommodations for students, 105 ILCS 5/10-20.60
10. Misuse of funds received for services to improve educational opportunities for educationally disadvantaged or deprived children
11. Curriculum, instructional materials, and/or programs
14. Provision of services to homeless students
15. Illinois Whistleblower Act, 740 ILCS 174/
17. Employee Credit Privacy Act, 820 ILCS 70/

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused’s parents/guardians); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person’s pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.
Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District’s main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student’s parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyber-bullying of students, the Complaint Manager shall process and review the complaint according to Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy. For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Complaint Manager shall process and review the complaint according to that policy, in addition to any response required by this policy 2:260, *Uniform Grievance Procedure*.

Investigation

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. If the Complainant is a student under 18 years of age, the Complaint Manager will notify his or her parent(s)/guardian(s) that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law or this policy, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days of the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Director. The Complaint Manager may request an extension of time.

If a complaint of contains allegations involving the Director, the written report shall be filed directly with the Board, which will make a decision in accordance with the paragraph four of following section of this policy. The Director will keep the Board informed of all complaints.

Decision and Appeal

Within five school business days after receiving the Complaint Manager’s report, the Director shall mail his or her written decision to the Complainant and the accused by first class U.S. mail as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Director’s decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board. Within 30 school business days, the Board shall affirm, reverse, or amend the Director’s
decision or direct the Director to gather additional information. Within five school business days of
the Board’s decision, the Director shall inform the Complainant and the accused of the Board’s
action.

For complaints containing allegations involving the Superintendent, within 30 school business days
after receiving the Complaint Manager’s report, the Board shall mail its written decision to the
Complainant and the accused by first class U.S. mail as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Director or
Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any
party.

Appointing a Nondiscrimination Coordinator and Complaint Managers

The Director shall appoint a Nondiscrimination Coordinator to manage the District’s efforts to
provide equal opportunity employment and educational opportunities and prohibit the harassment of
employees, students, and others. The Nondiscrimination Coordinator also serves as the District’s Title
IX Coordinator.

The Director shall appoint at least one Complaint Manager to administer the complaint process in this
policy. If possible, the Director will appoint two Complaint Managers, one of each gender. The
District’s Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Director shall insert into this policy and keep current the names, addresses, and telephone
numbers of the Nondiscrimination Coordinator and the Complaint Managers.

Except for repurchase agreements of government securities that are subject to the Government Securities Act of 1986, as now or hereafter amended or succeeded, the KWSED may not purchase or invest in instruments that constitute repurchase agreements, and no financial institution may enter into such an agreement with or on behalf of the KWSED unless the instrument and the transaction meet all of the following requirements:

a. The securities, unless registered or inscribed in the name of the KWSED, are purchased through banks or trust companies authorized to do business in the State of Illinois.

b. The Chief Investment Officer, after ascertaining which firm will give the most favorable rate of interest, directs the custodial bank to “purchase” specified securities from a designated institution. The “custodial bank” is the bank or trust company, or agency of government, that acts for the KWSED in connection with repurchase agreements involving the investment of funds by the KWSED. The State Treasurer may act as custodial bank for public agencies executing repurchase agreements.

c. A custodial bank must be a member bank of the Federal Reserve System or maintain accounts with member banks. All transfers of book-entry securities must be accomplished on a Reserve Bank’s computer records through a member bank of the Federal Reserve System. These securities must be credited to the KWSED on the records of the custodial bank and the transaction must be confirmed in writing to the KWSED by the custodial bank.

h. The Chief Investment Officer informs the custodial bank in writing of the maturity details of the repurchase agreement.

i. The custodial bank must take delivery of and maintain the securities in its custody for the account of the KWSED and confirm the transaction in writing to the KWSED. The custodial undertaking shall provide that the custodian takes possession of the securities exclusively for the KWSED; that the securities are free of any claims against the trading partner; and that any claims by the custodian are subordinate to the KWSED’s claims to rights to those securities.

j. The obligations purchased by the KWSED may only be sold or presented for redemption or payment by the fiscal agent bank or trust company holding the obligations upon the written instruction of the Chief Investment Officer.

k. The custodial bank shall be liable to the KWSED for any monetary loss suffered by the KWSED due to the failure of the custodial bank to take and maintain possession of such securities.

12. Any investment as authorized by the Public Funds Investment Act, and Acts amendatory thereto. Paragraph 11 supersedes paragraphs 1-10 and controls in the event of conflict.

Except as provided herein, investments may be made only in banks, savings banks, savings and loan associations, or credit unions that are insured by the Federal Deposit Insurance Corporation or other approved share insurer.

Selection of Depositories, Investment Managers, Dealers, and Brokers

The Treasurer shall establish a list of authorized depositories, investment managers, dealers and brokers based upon the creditworthiness, reputation, minimum capital requirements, qualifications under State law, as well as a long history of dealing with public fund entities. The Executive Board will review and approve the list at least annually.
In order to be an authorized depository, each institution must submit copies of the last two sworn statements of resources and liabilities or reports of examination that the institution is required to furnish to the appropriate State or federal agency. Each institution designated as a depository shall, while acting as such depository, furnish the KWSED with a copy of all statements of resources and liabilities or all reports of examination that it is required to furnish to the appropriate State or federal agency. The above eligibility requirements of a bank to receive or hold public deposits do not apply to investments in an interest-bearing savings account, interest-bearing certificate of deposit, or interest-bearing time deposit if: (1) the KWSED initiates the investment at or through a bank located in Illinois, and (2) the invested public funds are at all times fully insured by an agency or instrumentality of the federal government. The KWSED may consider a financial institution’s record and current level of financial commitment to its local community when deciding whether to deposit funds in that financial institution. The KWSED may consider factors including:

1. For financial institutions subject to the federal Community Reinvestment Act of 1977, the current and historical ratings that the financial institution has received, to the extent that those ratings are publicly available, under the federal Community Reinvestment Act of 1977;
2. Any changes in ownership, management, policies, or practices of the financial institution that may affect the level of the financial institution’s commitment to its community;
3. The financial impact that the withdrawal or denial of KWSED deposits might have on the financial institution;
4. The financial impact to the KWSED as a result of withdrawing public funds or refusing to deposit additional public funds in the financial institution; and
5. Any additional burden on the KWSED’s resources that might result from ceasing to maintain deposits of public funds at the financial institution under consideration.

Collateral Requirements

All amounts deposited or invested with financial institutions in excess of any insurance limit shall be collateralized in accordance with the Public Funds Investment Act, 30 ILCS 235/. The Director or designee shall keep the Executive Board informed of collateral agreements.

Safekeeping and Custody Arrangements

The preferred method for safekeeping is to have securities registered in the KWSED’s name and held by a third-party custodian. Safekeeping practices should qualify for the Governmental Accounting Standards Board Statement No. 3, Deposits with Financial Institutions, Investments (including Repurchase Agreements), and Reverse Repurchase Agreements, Category I, the highest recognized safekeeping procedures.

Controls and Report

The Chief Investment Officer shall establish a system of internal controls and written operational procedures to prevent losses arising from fraud, employee error, misrepresentation by third parties, or imprudent employee action.

The Chief Investment Officer shall provide a quarterly investment report to the Executive Board. The report will: (1) assess whether the investment portfolio is meeting the KWSED’s investment objectives, (2) identify each security by class or type, book value, income earned, and market value, (3) identify those institutions providing investment services to the KWSED, and (4) include any other relevant information. The investment portfolio’s performance shall be measured by appropriate and creditable industry standards for the investment type.
The Executive Board will determine, after receiving the Director’s recommendation, which fund is in most need of interest income, and the Director shall execute a transfer. This provision does not apply when the use of interest earned on a particular fund is restricted.

**Ethics and Conflicts of Interest**

The Governing Board, Executive Board, and KWSED officials will avoid any investment transaction or practice that in appearance or fact might impair public confidence.

Governing and Executive Board members are bound by the Board policy 2:100, *Board Member Conflict of Interest*. Governing and Executive Board members shall disclose any interest in any financial institution being considered for selection to provide services under this policy. The interest of a Governing or Executive Board Member in a financial institution as an officer, employee, or holder of less than 7.5% of the total ownership interest does not preclude a contract for deposit of monies, loans, or other financial services with the KWSED, provided the interested Board Member publicly states the nature and extent of his or her interest during deliberations concerning the proposed award of the contract and abstains from further deliberations and voting on the proposed award. A Board Member interested in a financial institution in that manner may be counted toward a quorum being present; however, award of such a contract requires a majority vote of those Executive Board Members presently holding office. Neither the Treasurer nor any KWSED employee having influence on the KWSED’s investment decisions shall:

1. Have any interest, directly or indirectly, in any investments in which the KWSED is authorized to invest,

2. Have any interest, directly or indirectly, in the sellers, sponsors, or managers of those investments, or

3. Receive, in any manner, compensation of any kind from any investments the agency is authorized to invest.

Insufficient Fund Checks

The Director or designee is responsible for collecting up to the maximum fee authorized by State law for returned checks written to the District that are not honored upon presentation to the respective bank or other depository institution for any reason. The Director is authorized to contact the Board Attorney whenever necessary to collect the returned check amount, fee, collection costs and expenses, and interest.

Delinquent Debt Recovery

The Director is authorized to seek collection of delinquent debt owed the District to the fullest extent of the law.

A Local Debt Recovery Program may be available through the Illinois Office of the Comptroller (IOC) in the future. To participate in it, an intergovernmental agreement (IGA) between the District and the IOC must be in existence. The IGA establishes the terms under which the District may refer a delinquent debt to the IOC for an offset (deduction). The IOC may execute an offset, in the amount of the delinquent debt owed to the District, from a future payment that the State makes to an individual or entity responsible for paying the delinquent debt.

The Director or designee shall execute the requirements of the IGA. While executing the requirements of the IGA, the Director or designee is responsible, without limitation, for each of the following:

1. Providing a District-wide, uniform, method of notice and due process to the individual or entity against whom a claim for delinquent debt payment (claim) is made. Written notice and an opportunity to be heard must be given to the individual or entity responsible for paying a delinquent debt before the claim is certified to the IOC for offset. The notice must state the claim’s amount, the reason for the amount due, the claim’s date or time period, and a description of the process to challenge the claim. If reimbursable meals or snacks provided under the Hunger-Free Students’ Bill of Rights Act are the basis of the District’s delinquent debt claim of no less than $500, the notice must be sent to a student’s parent(s)/guardian(s) only after: (a) the student owes the District more than five meals and/or snacks; (b) the Superintendent or designee made: (i) repeated contacts to collect the amounts owed, and (ii) reasonable efforts to collect the amount due for at least one year; and (c) the District requested the student’s parent(s)/guardian(s) to apply for meal benefits pursuant to policy 4:130, Free and Reduced-Price Food Services, and they either: (i) did not qualify, or (ii) refused to apply.

2. An individual or entity challenging a claim shall be provided an informal proceeding to refute the claim’s existence, amount, or current collectability; the decision following this proceeding shall be reviewable.
   a. If a waiver of student fees is requested as a challenge to paying the claim, and the waiver of student fees is denied, an appeal of the denial of a fee waiver request shall be handled according to 4:140, Waiver of Student Fees. If no waiver of student fees is requested, reviews regarding payment of the claim shall be handled according to this policy before certification to the IOC for offset.
b. If application for meal benefits pursuant to policy 4:130, *Free and Reduced-Price Food Services*, is requested as a challenge to paying the claim, and the request is denied, an appeal of the denial of the request shall be handled according to 4:130, *Free and Reduced-Price Food Services*. If no request for meal benefits is received, review of the claim’s payment shall be handled according to this policy before certification to the IOC for offset.

1. Certifying to the IOC that the debt is past due and legally enforceable, and notifying the IOC of any change in the status of an offset claim for delinquent debt.

2. Responding to requests for information from the IOC to facilitate the prompt resolution of any administrative review requests received by the IOC.

The Director shall annually, on or before October 15, submit an original and one copy of the audit to the Regional Director of Schools.

All personnel decisions are made by the Board, but only on the recommendation of the Director. If the Director’s recommendation is rejected, the Director must submit another. The Director may select personnel on a short-term basis for a specific project or emergency condition before the Board's approval.

No individual will be employed who has been convicted of a criminal offense listed in Section 5/21B-80(c) of the School Code.

All applicants must complete a District application in order to be considered for employment.

Job Descriptions

The Board maintains the Director’s job description and directs, through policy, the Director, in his or her charge of the District’s administration.

The Director shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Director or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful Director candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Director or designee, or if the applicant is a successful Director candidate, then the Board President shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction record confidential and share it only with the Director, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, or for purposes of clarifying the information, the Ill. Dept. of State Police and/or Statewide Sex Offender Database. The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete an Immigration and Naturalization Service Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in Section 5/21B-80 of the School Code or who falsifies, or omits facts from, his or her employment application or other employment documents.

The Director shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant’s credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.
2. The District does not ask an applicant or applicant’s previous employers about claim(s) made or benefit(s) received under the Workers’ Compensation Act.

3. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.

4. The District provides equal employment opportunities to all persons. See policy 5:10, Equal Employment Opportunity and Minority Recruitment.

Physical Examinations

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, or an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, or an advanced practice nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Board will pay the expenses of any such examination.

Orientation Program

The District’s staff will provide an orientation program for new employees to acquaint them with the District’s policies and procedures, the school’s rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the Acknowledgement of Mandated Reporter Status form as provided in policy 5:90, Abused and Neglected Child Reporting.

Compliance with the Fair Labor Standards Act

Job Classifications

The Director will ensure that all job positions are identified as either “exempt” or “non-exempt” according to State law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are “exempt” or “non-exempt.” “Exempt” and “non-exempt” employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

Workweek and Compensation

The workweek for District employees will be 12:00 a.m. Saturday until 11:59 p.m. Friday. Non-exempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours. “Overtime” is time worked in excess of 40 hours in a single workweek.

Overtime

A non-exempt employee shall not work overtime without his or her supervisor’s express approval. All supervisors of non-exempt employees shall: (1) monitor overtime use on a weekly basis and report such use to the business office, (2) seek the Director or designee’s written pre-approval for any long term or repeated use of overtime that can be reasonably anticipated, (3) ensure that overtime provisions of this policy and the FLSA are followed, and (4) ensure that employees are compensated for any overtime worked. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Director. In lieu of overtime compensation, non-exempt employees may receive compensatory time-off, according to Board policy 5:310, Compensatory Time-Off.

Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Licensed employees may be suspended without pay in accordance with Board policy 5:240, Professional Personnel - Suspension. Non-licensed employees may be suspended without pay in accordance with Board policy 5:290, Educational Support Personnel - Employment Termination and Suspensions.

Implementation

The Director or designee shall implement the policy in accordance with the FLSA, including its required notices to employees. In the event of a conflict between the policy and State or federal law, the latter shall control.

Be subject to remedial and any other appropriate disciplinary action for violations of this policy ranging from prohibiting the employee from possessing or using any personal technology or social media at school to dismissal and/or indemnification of the District for any losses, costs, or damages, including reasonable attorney fees, incurred by the District relating to, or arising out of, any violation of this policy.

The Director shall:

1. Inform District employees about this policy.
2. Build awareness of this policy with students, parents, and the community.
3. Ensure that no one for the District, or on its behalf, requests of an employee or applicant access in any manner to his or her social networking website or requests passwords to such sites.
4. Periodically review this policy and any procedures with District employee representatives and electronic network system administrator(s) and present proposed changes to the Board.

Temporary Illness or Temporary Incapacity

A temporary illness or temporary incapacity is an illness or other capacity of ill-being that renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits. However, income received from other sources (worker’s compensation, District-paid insurance programs, etc.) will be deducted from the District’s compensation liability to the employee. The Governing Board’s intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of his or her gross salary.

Those insurance plans privately purchased by the employee and to which the District does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes a teacher or other licensed employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive work days, such absence may be considered a permanent disability and the Board may begin dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act. The Director may recommend this paragraph’s use when circumstances strongly suggest that the teacher or other licensed employee returned to work intermittently in order to avoid this paragraph’s application. This paragraph shall not be considered a limitation on the Board’s authority to take any action concerning an employee that is authorized by State and federal law.

Any employee may be required to have an examination, at the District’s expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant if the examination is job-related and consistent with business necessity.

Family and Medical Leave

Leave Description

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act. The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may take FMLA leave for up to a combined total of 12 weeks each year, on a rolling 12-month period measured backward from the date the employee uses any FMLA leave so that the remaining leave entitlement is the balance of the 12 weeks that has not been used during the immediately preceding 12 months.

During a single 12-month period, an eligible employee’s FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The “single 12-month period” is measured forward from the date the employee’s first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the District will substitute an employee’s accrued compensatory time-off and/or paid leave for unpaid FMLA leave. All policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee’s FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee’s leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee’s FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee’s spouse, child, or parent.
4. The employee’s own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee’s spouse, child, or parent is a military member on covered active duty or has been notified of an impending call or order to active duty, as provided by federal rules.
6. To care for the employee’s spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

If spouses are employed by the District, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.
Eligibility
To be eligible for FMLA leave, an employee must be employed at a worksite where at least 50 employees are employed within 75 miles. In addition, one of the following provisions must describe the employee:

1. The employee has been employed by the District for at least 12 months and has been employed for at least 1,250 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of previous employment that occurred more than seven years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee’s Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, et seq., or when a written agreement exists concerning the District’s intention to rehire the employee.

Requesting Leave
If the need for the FMLA leave is foreseeable, an employee must provide the Director or designee with at least 30 days’ advance notice before the leave is to begin. If 30 days’ advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the District’s operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Director or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Certification
Within 15 calendar days after the Director or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee’s covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member’s health care provider.
2. When the leave is due to the employee’s own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee’s health care provider.
3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember.
4. When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member’s active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member’s active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The District may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The District may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the District may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) District receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee’s expense and must
be provided to the District within 15 calendar days after the request. The District may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the District may result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A District’s obligation to maintain health insurance coverage ceases if an employee’s premium payment is more than 30 days late and the District notifies the employee at least 15 days before coverage will cease.

Changed Circumstances and Intent to Return

An employee must provide the Director or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Director or designee, taking into consideration all of the relevant facts and circumstances related to an individual’s leave situation, may ask an employee who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee’s own serious health condition, the employee is required to obtain and present certification from the employee’s health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the District may impose as provided in the FMLA or implementing regulations, and (2) the District’s reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

Implementation

The Director or designee shall ensure that: (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.

A substitute teacher must hold either a valid teaching or substitute license or short-term substitute license and may teach in the place of a licensed teacher who is under contract with the Board. There is no limit on the number of days that a substitute teacher may teach in the District during the school year, except as follows:

The Illinois Teachers’ Retirement System (TRS) limits a substitute teacher who is a TRS annuitant to substitute teaching for a period not to exceed 120 paid days or 600 paid hours in each school year, but not more than 100 paid days in the same classroom. Beginning July 1, 2020, a substitute teacher who is a TRS annuitant may substitute teach for a period not to exceed 100 paid days or 500 paid hours in any school year, unless the subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

Maintaining Student Discipline

Maintaining an orderly learning environment is an essential part of each teacher’s instructional responsibilities. A teacher’s ability to foster appropriate student behavior is an important factor in the teacher’s educational effectiveness. The Director shall ensure that all teachers, other certificated employees, and persons providing a student’s related service(s): (1) maintain discipline in the schools as required in the School Code, (2) follow the Governing Board policies and administrative procedures on student conduct, behavior, and discipline, and (3) provide services consistent with the student’s IEP.

When a student’s behavior is unacceptable, the teacher should first discuss the matter with the student, if appropriate. If the unacceptable behavior continues, the teacher should consult with the Building Principal and/or discuss the problem with the parent(s)/guardian(s). A teacher may remove any student from the learning setting whose behavior interferes with the lessons or participation of fellow students. A student’s removal must be in accordance with Board policy and administrative procedures.

Teachers shall not use disciplinary methods that may be damaging to students, such as ridicule, sarcasm, or excessive temper displays. Corporal punishment (including slapping, paddling, or prolonged maintenance of a student in physically painful positions, and intentional infliction of bodily harm) may not be used. Suspension

Suspension Without Pay

The Governing Board may suspend without pay: (1) a professional employee pending a dismissal hearing, or (2) a teacher as a disciplinary measure for misconduct that is detrimental to the Joint Agreement. Administrative staff members may not be suspended without pay as a disciplinary measure.

Misconduct that is detrimental to the Joint Agreement includes:

- Insubordination, including any failure to follow an oral or written directive from a supervisor;
- Violation of Board policy or Administrative Procedure;
- Conduct that disrupts or may disrupt the educational program or process;
- Conduct that violates any State or federal law that relates to the employee's duties; and
- Other sufficient causes.

The Director or designee is authorized to issue a pre-suspension notification to a professional employee. This notification shall include the length and reason for the suspension as well as the deadline for the employee to exercise his or her right to appeal the suspension to the Board or Board-appointed hearing examiner before it is imposed. At the request of the professional employee made within five calendar days of receipt of a pre-suspension notification, the Board or Board-appointed hearing examiner will conduct a pre-suspension hearing. The Board or its designee shall notify the professional employee of the date and time of the hearing. At the pre-suspension hearing, the professional employee or his/her representative may present evidence. If the employee does not appeal the pre-suspension notification, the Director or designee shall report the action to the Board at its next regularly scheduled meeting.

Suspension With Pay

The Board or Director or designee may suspend a professional employee with pay: (1) during an investigation into allegations of disobedience or misconduct whenever the employee’s continued presence in his or her position would not be in the Joint Agreement’s best interests, (2) as a disciplinary measure for misconduct that is detrimental to the Joint Agreement as defined above, or (3) pending a Board hearing to suspend a teacher without pay.

The Director shall meet with the employee to present the allegations and give the employee an opportunity to refute the charges. The employee will be told the dates and times the suspension will begin and end.

Employees Under Investigation by Illinois Dept. of Children and Family Services (DCFS)

Upon receipt of a DCFS recommendation that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with the District, the Board or Director or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended by DCFS, proceeding with:
   a. A suspension with pay; or
   b. A suspension without pay.
Repayment of Compensation and Benefits

If a professional employee is suspended with pay, either voluntarily or involuntarily, pending the outcome of a criminal investigation or prosecution, and the employee is later dismissed as a result of his or her criminal conviction, the employee must repay to the District all compensation and the value of all benefits received by him or her during the suspension. The Director will notify the employee of this requirement when the employee is suspended.

Leaves of Absence

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick Leave

Each full-time professional staff member is granted 12 days sick leave each school year at full pay. Unused days are allowed to accumulate to 340 days. Sick leave is defined in State law as personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption.

As a condition for paying sick leave after three days absence for personal illness or 30 days for birth or as the Board or Director deem necessary in other cases, the Board or Director may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) an advanced practice registered nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice registered to perform health examinations, (4) a physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee’s faith. If the Board or Director requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Director may require that the employee provide evidence that the formal adoption process is underway.

Bereavement Leave

Each full-time professional staff member is granted 2 days per year for bereavement leave. Unused bereavement leave does not accumulate.

Child Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 et seq.) to take child bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Child Bereavement Leave Act. Child bereavement leave allows for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of his or her child, (2) making arrangements necessitated by the death of the staff member’s child, or (3) grieving the death of the staff member’s child, without any adverse employment action.

The leave must be completed within 60 days after the date on which the employee received notice of the death of his or her child. However, in the event of the death of more than one child in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Child Bereavement Leave Act. This policy does not create any right for an employee to take child bereavement leave that is inconsistent with the Child Bereavement Leave Act.
Sabbatical Leave

Sabbatical leave may be granted in accordance with the School Code.

Personal Leave

Professional staff members are granted 2 personal leave days per year. A personal leave day is defined as a day to allow professional personnel time to conduct personal business (but not vacation, travel, or work stoppage), which is impossible to schedule at a time other than during a school day. Any unused personal leave day in a school year will be credited to the cumulative sick leave.

The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, personal leave requests should be submitted to the Building Principal three days in advance of the requested date,
2. No personal leave days may be used immediately before or immediately after a holiday unless the Director grants prior approval,
3. Personal leave may not be used in increments of less than one-half day,
4. Personal leave days are subject to a substitute’s availability,
5. Personal leave days may not be used during the first and/or last five days of the school year,
6. Personal leave days may not be used on in-service and/or institute training days, and
7. Personal leave may not be used by more than 10% of the teaching staff in each building at the same time.

Leave of Absence Without Pay

The Board may grant a leave of absence without pay to tenured professional staff members who have rendered satisfactory service and desire to return to employment in a similar capacity at a time determined by the Board.

Each leave of absence shall be of the shortest possible duration required to meet the leave’s purpose consistent with a reasonable continuity of instruction for students.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days’ written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District’s employees may be absent to serve as election judges on the same Election Day.

Child-Rearing Leave

The Board may grant a tenured professional staff member’s request for a non-paid, child-rearing leave, not to exceed the balance of the school year plus one additional school year (but in no event shall such leave exceed three semesters), provided the request complies with this policy. Nothing in this section shall prohibit a professional staff member from using paid sick days as provided in this policy.

A teacher must request, if possible, a child-rearing leave by notifying the Director in writing no later than 90 days before the requested leave’s beginning date. The request should include the proposed leave dates. The leave shall end before a new school year begins or before the first day of school after winter recess.

Subject to the insurance carrier’s approval, the teacher may maintain insurance benefits at his or her own expense during a child-rearing leave.
A professional staff member desiring to return before the leave’s expiration will be assigned to an available vacancy for which the teacher is qualified, subject to scheduling efficiency and instruction continuity.

**Leaves for Service in the Military**
Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

**General Assembly Leave**
Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

**Leave for Employment in Department of Defense**
The Board may grant teachers a leave of absence to accept employment in a Dept. of Defense overseas school.

**School Visitation Leave**
An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences or classroom activities related to the teacher’s child, if the conference or activity cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Director shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

**Leaves for Victims of Domestic or Sexual Violence**
An unpaid leave from work is available to any staff member who: (1) is a victim of domestic or sexual violence, or (2) has a family or household member who is a victim of domestic or sexual violence whose interests are not adverse to the employee as it relates to the domestic or sexual violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance without suffering adverse employment action.

The Victims’ Economic Security and Safety Act governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 et seq.).
Leaves to Serve as an Officer or Trustee of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to an elected officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) twenty days of paid leave of absence per year to a trustee of the Teachers’ Retirement System in accordance with 105 ILCS 5/24-6.3, and (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in 105 ILCS 5/24-6.2.

The School Code requires each individual student teaching or beginning a required internship to provide the District with written authorization for, and pay the costs of, his or her 105 ILCS 5/10-21.9(g) check (including any applicable vendor’s fees). Upon receipt of this authorization and payment, the Director or designee will submit the student teacher’s name, sex, race, date of birth, social security number, fingerprint images, and other identifiers, as prescribed by the Department of State Police, to the Department of State Police. The Director or designee will provide each student teacher with a copy of his or her report.

Employment At-Will

Unless otherwise specifically provided, District employment is at-will, meaning that employment may be terminated by the District or employee at any time for any reason, other than a reason prohibited by law, or no reason at all. Nothing in Board policy is intended or should be construed as altering the employment at-will relationship.

Exceptions to employment at-will may include employees who have an employment contract or are otherwise granted a legitimate interest in continued employment.

Compensation

The Board will determine salary and wages for educational support personnel. Increments are dependent on evidence of continuing satisfactory performance. An employee covered by the overtime provisions in State or federal law, shall not work overtime without the prior authorization from the employee’s immediate supervisor. Educational support personnel are paid every two weeks.

**Paraprofessionals**

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Illinois State Board of Education (ISBE).

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

**Noncertificated and Unlicensed Personnel Working with Students and Performing Non-Instructional Duties**

Non-RIF Dismissal
The District may terminate an at-will employee at any time for any or no reason, but not for a reason prohibited by State or federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Director is responsible for making dismissal recommendations to the Governing Board consistent with the Board’s goal of having a highly qualified, high performing staff.

Reduction in Force and Recall
The Board may, as necessary or prudent, decide to decrease the number of educational support personnel or to discontinue some particular type of educational support service and, as a result of that action, dismiss or reduce the hours of one or more educational support employees. When making decisions concerning reduction in force and recall, the Board will follow Sections 10-22.34c (outsourcing non-instructional services) and 10-23.5 (procedures) of the School Code, to the extent they are applicable and not superseded by legislation or an applicable collective bargaining agreement.

A terminating employee’s final paycheck will be adjusted for any unused, earned vacation credit. Employees are paid for all earned vacation. Terminating employees will receive their final pay on the next regular payday following the date of termination, except that an employee dismissed due to a reduction in force shall receive his or her final paycheck on or before the next regular pay date following the last day of employment.

Suspension
Except as provided below, the Director is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct or pending a dismissal hearing whenever, in the Director’s judgment, the employee’s presence is detrimental to the District. A disciplinary suspension shall be with pay: (1) when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees. Upon receipt of a recommendation from the Ill. Dept. Children and Family Services (DCFS) that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that
relates to his or her employment with the District, the Board or Director or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or
2. Remove the employee as recommended, proceeding with:
   a. A suspension with pay; or
   b. A suspension without pay.

Any criminal conviction resulting from the investigation or allegations shall require the employee to repay to the District all compensation and the value of all benefits received by the employee during the suspension. Sick and Bereavement Leave

Full or part-time educational support personnel who work at least 600 hours per year receive 12 paid sick leave days per year. Part-time employees will receive sick leave pay equivalent to their regular workday. Unused sick leave shall accumulate to a maximum of 340 days, including the leave of the current year.

Sick leave is defined in State law as personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption. The Director and/or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or 30 days for birth or as the Board or Director deem necessary in other cases, the Board or Director may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) an advanced practice registered nurse who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice registered nurse to perform health examinations, (4) a physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee’s faith. If the Board or Director requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Director may require that the employee provide evidence that the formal adoption process is underway.

Labor Day                               Christmas Eve & Christmas Day

A holiday will not cause a deduction from an employee’s time or compensation. The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

**Personal Leave**

Full-time educational support personnel have two paid personal leave days per year. The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, a personal leave request should be submitted to the Building Principal three days before the requested date.

The term *children with disabilities*, as used in this policy, means children between ages 3 and 21 (inclusive) for whom it is determined, through definitions and procedures described in the Ill. **Education of Homeless Children**

Each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youths, including a public pre-school education. A *homeless child* is defined as provided in the McKinney-Vento Homeless Assistance Act and the Ill. Education for Homeless Children Act. The Director or designee shall act as or appoint a Liaison for Homeless Children to coordinate this policy’s implementation.

A homeless child may attend the District school that the child attended when permanently housed or in which the child was last enrolled. A homeless child living in any District school’s attendance area may attend that school.

The Director or designee shall review and revise rules or procedures that may act as barriers to the enrollment of homeless children and youths. In reviewing and revising such procedures, consideration shall be given to issues concerning transportation, immunization, residency, birth certificates, school records and other documentation, and guardianship. Transportation shall be provided in accordance with the McKinney-Vento Homeless Assistance Act and State law. The Director or designee shall give special attention to ensuring the enrollment and attendance of homeless children and youths who are not currently attending school. If a child is denied enrollment or transportation under this policy, the Liaison for Homeless Children shall immediately refer the child or his or her parent/guardian to the ombudsperson appointed by the Regional Superintendent and provide the child or his or her parent/guardian with a written explanation for the denial. Whenever a child and his or her parent/guardian who initially share the housing of another person due to loss of housing, economic hardship, or a similar hardship continue to share the housing, the Liaison for Homeless Children may, after the passage of 18 months and annually thereafter, conduct a review as to whether such hardship continues to exist in accordance with State law.

Search and Seizure

Provisions of this policy are purview of the local member districts.

In order to maintain order and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. “School authorities” includes school liaison police officers.

School Property and Equipment as well as Personal Effects Left There by Students

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there. This paragraph applies to student vehicles parked on school property. In addition, Building Principals shall require each high school student, in return for the privilege of parking on school property, to consent in writing to school searches of his or her vehicle, and personal effects therein, without notice and without suspicion of wrongdoing.

The Director may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

Students

School authorities may search a student and/or the student’s personal effects in the student’s possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the District’s student conduct rules. The search itself must be conducted in a manner that is reasonably related to its objective and not excessively intrusive in light of the student’s age and sex, and the nature of the infraction.

When feasible, the search should be conducted as follows:

1. Outside the view of others, including students,
2. In the presence of a school administrator or adult witness, and
3. By a certificated employee or liaison police officer of the same sex as the student.

Immediately following a search, a written report shall be made by the school authority who conducted the search, and given to the Director.

Seizure of Property

If a search produces evidence that the student has violated or is violating either the law or the District’s policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

Notification Regarding Student Accounts or Profiles on Social Networking Websites

The Director or designee shall notify students and their parents/guardians of each of the following in accordance with the Right to Privacy in the School Setting Act, 105 ILCS 75/:
1. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student’s account or profile on a social networking website.

2. School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student’s account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.

Prevention of and Response to Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student’s ability to learn and a school’s ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the Joint Agreement or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any nonschool-related activity, function, or program.

Definitions from Section 27-23.7 of the School Code (105 ILCS 5/27-23.7)

Bullying includes cyberbullying and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student’s or students’ person or property;
2. Causing a substantially detrimental effect on the student’s or students’ physical or mental health;
3. Substantially interfering with the student’s or students’ academic performance; or
4. Substantially interfering with the student’s or students’ ability to participate in or benefit from the services, activities, or privileges provided by a school.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. Cyberbullying includes the
creation of a webpage or weblog in which the creator assumes the identity of another person or the
knowing impersonation of another person as the author of posted content or messages if the creation
or impersonation creates any of the effects enumerated in the definition of *bullying*. *Cyberbullying*
also includes the distribution by electronic means of a communication to more than one person or the
posting of material on an electronic medium that may be accessed by one or more persons if the
distribution or posting creates any of the effects enumerated in the definition of *bullying*.

*Restorative measures* means a continuum of school-based alternatives to exclusionary discipline, such
as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and
community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and
productive learning climate, (iv) teach students the personal and interpersonal skills they will need to
be successful in school and society, (v) serve to build and restore relationships among students,
families, schools, and communities, and (vi) reduce the likelihood of future disruption by balancing
accountability with an understanding of students’ behavioral health needs in order to keep students in
school.

*School personnel* means persons employed by, on contract with, or who volunteer in a Joint
Agreement, including without limitation school and Joint Agreement administrators, teachers, school
guidance counselors, school social workers, school counselors, school psychologists, school nurses,
cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

**Bullying Prevention and Response Plan**

The Director or designee shall develop and maintain a bullying prevention and response plan that
advances the District’s goal of providing all students with a safe learning environment free of
bullying and harassment. This plan must be consistent with the requirements listed below; each
numbered requirement, 1-12, corresponds with the same number in the list of required policy
components in 105 ILCS 5/27-23.7(b) 1-12.

1. The District uses the definition of *bullying* as provided in this policy.

2. Bullying is contrary to State law and the policy of this District. However, nothing in the
District’s bullying prevention and response plan is intended to infringe upon any right to
exercise free expression or the free exercise of religion or religiously based views protected
under the First Amendment to the U.S. Constitution or under Section 3 of Article I of the
Illinois Constitution.

3. Students are encouraged to immediately report bullying. A report may be made orally or in
writing to the Nondiscrimination Coordinator, Building Principal, Assistant Building
Principal, Dean of Students, a Complaint Manager, or any staff member with whom the
student is comfortable speaking. Anyone, including staff members and parents/guardians,
who has information about actual or threatened bullying is encouraged to report it to the
District named officials or any staff member. The District named officials and all staff
members are available for help with a bully or to make a report about bullying. Anonymous
reports are also accepted.

4. Consistent with federal and State laws and rules governing student privacy rights, the Director or designee shall promptly inform the parent(s)/guardian(s) of every student involved in an alleged incident of bullying and discuss, as appropriate, the availability of social work services, counseling, school psychological services, other interventions, and restorative measures.

5. The Director or designee shall promptly investigate and address reports of bullying, by, among other things:
   a. Making all reasonable efforts to complete the investigation within 10 school days after the date the report of a bullying incident was received and taking into consideration additional relevant information received during the course of the investigation about the reported bullying incident.
   b. Involving appropriate school support personnel and other staff persons with knowledge, experience, and training on bullying prevention, as deemed appropriate, in the investigation process.
   c. Notifying the school administrator or designee of the reported incident of bullying as soon as possible after the report is received.
   d. Consistent with federal and State laws and rules governing student privacy rights, providing parents/guardians of the students who are parties to the investigation information about the investigation and an opportunity to meet with the school administrator or his or her designee to discuss the investigation, the findings of the investigation, and the actions taken to address the reported incident of bullying.

The Director or designee shall investigate whether a reported incident of bullying is within the permissible scope of the District’s jurisdiction and shall require that the District provide the victim with information regarding services that are available within the District and community, such as counseling, support services, and other programs.

6. The Director or designee shall use interventions to address bullying, that may include, but are not limited to, school social work services, restorative measures, social-emotional skill building, counseling, school psychological services, and community-based services.

7. A reprisal or retaliation against any person who reports an act of bullying is prohibited. A student’s act of reprisal or retaliation will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

8. A student will not be punished for reporting bullying or supplying information, even if the District’s investigation concludes that no bullying occurred. However, knowingly making a false accusation or providing knowingly false information will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

9. The District’s bullying prevention and response plan must be based on the engagement of a range of school stakeholders, including students and parents/guardians.
10. The Director or designee shall post this policy on the District’s website, if any, and include it in the student handbook, and, where applicable, post it where other policies, rules, and standards of conduct are currently posted. The policy must be distributed annually to parents/guardians, students, and school personnel (including new employees when hired), and must also be provided periodically throughout the school year to students and faculty.

11. The Director or designee shall assist the Board with its evaluation and assessment of this policy’s outcomes and effectiveness. This process shall include, without limitation:
   a. The frequency of victimization;
   b. Student, staff, and family observations of safety at a school;
   c. Identification of areas of a school where bullying occurs;
   d. The types of bullying utilized; and
   e. Bystander intervention or participation.

   The evaluation process may use relevant data and information that the District already collects for other purposes. The Director or designee must post the information developed as a result of the policy evaluation on the District’s website, or if a website is not available, the information must be provided to school administrators, Board members, school personnel, parents/guardians, and students.

12. The Director or designee shall fully implement the Board policies, including without limitation, the following:
   a. 2:260, Uniform Grievance Procedure. A student may use this policy to complain about bullying.
   b. 6:60, Curriculum Content. Bullying prevention and character instruction is provided in all grades in accordance with State law.

   f. 7:185, Teen Dating Violence Prohibited. This policy prohibits teen dating violence on school property, at school sponsored activities, and in vehicles used for school-provided transportation.
   g. 7:190, Student Behavior. This policy prohibits, and provides consequences for, hazing, bullying, or other aggressive behaviors, or urging other students to engage in such conduct.
   h. 7:310, Restrictions on Publications; Elementary Schools. This policy prohibits students from and provides consequences for: (1) accessing and/or distributing at school any written, printed, or electronic material, including material from the Internet, that will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities, and (2) creating and/or distributing written, printed, or electronic material, including photographic material and blogs, that causes substantial disruption to school operations or interferes with the rights of other students or staff members.

Exemption from Physical Education

Participation in classes will be provided per the student’s IEP. Exemptions may be accorded per this policy by the local district of residence.

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request.

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practice Act, prevents his or her participation in the physical education course.

State law prohibits the Board from honoring parental excuses based upon a student’s participation in athletic training, activities, or competitions conducted outside the auspices of the Joint Agreement.

A student who is eligible for special education may be excused from physical education courses in either of the following situations:

1. He or she (a) is in grades 3-12, (b) his or her IEP requires that special education support and services be provided during physical education time, and (c) the parent/guardian agrees or the IEP team makes the determination; or

2. He or she (a) has an IEP, (b) is participating in an adaptive athletic program outside of the school setting, and (c) the parent/guardian documents the student’s participation as required by the Director or designee.

A student requiring adapted physical education must receive that service in accordance with his or her Individualized Educational Program/Plan (IEP).

A student in grades 9-12, unless otherwise stated, may submit a written request to the Building Principal to be excused from physical education courses for the reasons stated in 6:310, High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students.

Students in grades 7 and 8 may submit a written request to the Building Principal to be excused from physical education courses because of his or her ongoing participation in an interscholastic or extracurricular athletic program. The Building Principal will evaluate requests on a case-by-case basis.

The Director or designee shall maintain records showing that the criteria set forth in this policy were applied to the student’s individual circumstances, as appropriate.

Students who have been excused from physical education shall return to the course as soon as practical. The following considerations will be used to determine when a student shall return to a physical education course:

1. The time of year when the student’s participation ceases;

2. The student’s class schedule; and
3. The student’s future or planned additional participation in activities qualifying for substitutions for physical education as outlined in policy 6:310, High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students.

   a. The training required by 105 ILCS 5/10-22.39 for licensed school personnel and administrators who work with students to identify the warning signs of suicidal behavior in youth along with appropriate intervention and referral techniques, including methods of prevention, procedures for early identification, and referral of students at risk of suicide; and
   b. Ill. State Board of Education (ISBE)-recommended guidelines and educational materials for staff training and professional development, along with ISBE-recommended resources for students containing age-appropriate educational materials on youth suicide and awareness, if available pursuant to Ann Marie’s Law on ISBE’s website.

3. Methods of intervention, including procedures that address an emotional or mental health safety plan for use during the school day and at school-sponsored events for a student identified as being at increased risk of suicide. Implementation will incorporate paragraph number 2, above, along with:
   a. Board policy 6:65, Student Social and Emotional Development, implementing the goals and benchmarks of the Ill. Learning Standards and 405 ILCS 49/15(b) (requiring student social and emotional development in the District’s educational program);

Student Records

School student records are confidential. Information from them shall not be released other than as provided by law. A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction by a school employee, regardless of how or where the information is stored, except as provided in State or federal law, including but not limited to the exceptions below:

1. Records kept in a staff member’s sole possession.
2. Records maintained by law enforcement officers working in the school.
3. Video and other electronic recordings (including without limitation, electronic recordings made on school buses) that are created in part for law enforcement, security, or safety reasons or purposes. The content of these recordings may become part of a school student record to the extent school officials create, use, and maintain this content, or it becomes available to them by law enforcement officials, for disciplinary or special education purposes regarding a particular student.
4. Any information, either written or oral, received from law enforcement officials concerning a student less than the age of 18 years who has been arrested or taken into custody.

State and federal law grants students and parents/guardians certain rights, including the right to inspect, copy, and challenge school student records. The information contained in school student records shall be kept current, accurate, clear, and relevant. The District may release directory information as permitted by law, but a parent/guardian shall have the right to object to the release of information regarding his or her child. The Director shall fully implement this policy and designate an official records custodian for each school who shall maintain and protect the confidentiality of school student records, inform staff members of this policy, and inform students and their parents/guardians of their rights regarding school student records.
